RELIGION - SPIRITUALITY

*Yeshua, the Messiah, the God-Man,* is a walk thru the Bible that focuses on how the prophecies of the coming Messiah in the Old Testament and the four gospels connect to Yeshua being the long-awaited Redeemer. Was He God, or was He man? Or was He both? In an easy-to-read format, this is a must read for those who desire to know more about who Jesus really is!

Carroll Roberson has been in full-time evangelism since 1987, after serving as pastor for two years. He has guided over thirty tours to Israel and has done extensive Hebrew research on the life of Christ, particularly the gospels. He believes strongly that the Hebraic roots of the Christian faith are what is missing in the modern-day church. Carroll has authored other books such as *The Christ, How to Enjoy Jesus, Jesus and the Five Senses, In the Fullness of Time, Christmas in Those Days, and Matthew, the Hebrew Gospel*. Carroll has also written over three hundred inspirational songs and recorded over forty gospel albums. He and his wife, Donna, host their own weekly TV program called *This is Carroll Roberson*, which airs around the world on The Church Channel.
