The **John Adair Lexicon of Leadership** is a unique volume of the classic works of the world-renowned leadership expert including *Not Bosses But Leaders*, *The Inspirational Leader*, *How to Grow Leaders*, *Leadership and Motivation*, *Leadership for Innovation* and *The Art of Creative Thinking*. In this collection of his works the essential leadership skills and themes are interwoven to make up a rich tapestry of practical wisdom on the art of leadership in a business context.

The **John Adair Lexicon of Leadership** is a practical blueprint for developing your own abilities as a leader or manager. Here are the foundations you can build on for life.

**John Adair** is now widely regarded as the world's leading authority on leadership and leadership development. Over a million managers worldwide have taken part in the leadership programmes he pioneered. John had a colourful early career and he was the only national serviceman to serve in the Arab Legion, where he became adjutant of a Bedouin regiment. In 1979 he became the world's first Professor of Leadership Studies at the University of Surrey. A teacher and consultant, he has also written over 50 books, including the leadership classic, *Not Bosses But Leaders* and also *How to Grow Leaders*, and more recently *The Leadership of Muhammad* (all published by Kogan Page).
